EMPOWER your programs, pass rates, and students’ exam performance with HESI

We’ve combined the expert exam development of HESI and trusted content from Elsevier texts to provide you and your students with a preparation, testing, and remediation solution like no other. It’s everything you need to help students excel throughout your program, track their progress, and prepare them to confidently pass the NCLEX-RN® exam.

**PRACTICE**

**HESI RN Patient Reviews**
Didactic, knowledge-based patient activities teach and assess retention of clinical content and build students’ confidence before they experience actual clinical situations.

**HESI RN Practice Test**
Practice questions written at the application level reflect the standardized item testing formats they will encounter on the licensure examination. Provides detailed answers and rationales.

**HESI RN Case Studies**
Challenge students to apply key concepts and develop their clinical judgment by answering questions and viewing rationales for a range of realistic patient scenarios.

**EXAMS**

**HESI Admission Assessment (A2) Exam**
Assess program applicants’ basic skills and personality and learning styles to select and place prospective students and improve program retention and pass rates.

**HESI RN Specialty Exams**
Measure students’ abilities to apply concepts related to specific clinical nursing content areas throughout the nursing curriculum.

**HESI RN Custom Exams**
Provide Elsevier with your course syllabus or curriculum, and our expert nurse educators will prepare a customized 50-, 75-, or 100-question exam for your program.

**HESI RN Exit Exam**
Measure students’ readiness for the NCLEX-RN® examination with question formats and an exam blueprint matching the latest NCLEX-RN® examination test plan.

**HESI RN Computer Adaptive Test (CAT)**
Provide an individualized testing experience that simulates the NCLEX-RN® exam environment with a tailored item selection exam based on students’ performance on previous items.

**REVIEW**

**HESI Admission Assessment Exam Review, 5th Edition**
Prepare students for their admission assessment exam with comprehensive content review and more than 450 practice test questions on the topics typically found on admission exams.

**HESI/Saunders Online Review for the NCLEX-RN® Exam, 3rd Edition* **
Self-paced NCLEX-RN® review equipped with 2,500 NCLEX® exam-style review questions, insightful test-taking strategies and rationales with each question, strategic HESI videos, and much more!

* A tool designed to support NCLEX-RN® exam preparation, NOT a predictor of success on the HESI Exit Exam.

**HESI Live Review**
With personalized, onsite instruction by our expertly trained nurse educators, HESI Live Review courses can be customized using your program’s aggregate results to focus on the topic areas where your students need the most help.

**HESI Comprehensive Review for the NCLEX-RN® Examination, 6th Edition**
Prepare your students to not only pass their NCLEX-RN® exam, but also their HESI Exit Exam with this concise, all-in-one review.

**REMEDATION**

Your students benefit from personalized electronic remediation from trusted Elsevier texts, case studies, practice questions, activities, and multimedia, targeted specifically to each student’s unique knowledge deficits. Remediation reports help you keep track of students’ remediation progress.

**REPORTING**

Detailed diagnostic reports are provided for both students and educators. These invaluable reports not only give you insight into individual student exam performance, but also overall program performance. With HESI Report Builder you can also create your own customized reports to track trends within your program and among cohorts.

**EXAM SECURITY**

HESI exams contain numerous functionalities to ensure that each exam remains secure at the highest level.
