NEW EDITION!

Pediatric primary care coverage from the unique perspective of the nurse practitioner

- **NEW! Nine new chapters** include:
  - Unique Issues in Pediatrics
  - Genetics and Child Health
  - Environmental Issues
  - Children with Special Healthcare Needs
  - Developmental Management of Newborns
  - Immunizations
  - Intentional and Unintentional Injuries: Injury Prevention and Child Maltreatment
  - Perinatal Disorders
  - Developmental, Behavioral and Mental Health Disorders

- **NEW! Updated content throughout** reflects the latest understanding of the health-disease continuum, pediatric disease management, and current trends in pediatric healthcare, including Bright Futures and Healthy People 2020.

Included with the text...

EDUCATOR RESOURCES ON EVOLVE

- Test bank
- PowerPoint® slides
- Image collection

NEW EDITION!

 Equip your students to deliver effective, truly interprofessional health care

- **NEW and UPDATED! Increased emphasis on rationales** for treatment recommendations, pharmacotherapeutics and drug decision-making, and diagnostic direction.
- **NEW! Red Flag feature** highlights crucial issues not to be missed.
- **NEW! Consistent chapter format and features** reflect the systematic approach used in adult primary care practice to promote improved clinical reasoning skills, foster learning, and facilitate quick clinical reference.
- **Updated content throughout** provides the latest evidence-based treatment protocols, as well as national and international guidelines.

Included with the text...

EDUCATOR RESOURCES ON EVOLVE

- Test bank
- PowerPoint® slides
- Image collection
NEW EDITION!

Everything advanced practice nurses and physician assistants need to be safe, effective prescribers

- **NEW! Genetic and Genomic Considerations chapter** addresses our growing understanding of the importance of genetics and genomics in the pharmacotherapeutic management of disease.
- **NEW! Muscarinic Antagonists chapter** expands on and clarifies coverage of this important drug class.
- **NEW! Immunomodulators chapter** covers the growing role of this innovative therapy in cancer treatment.
- **NEW! Increased emphasis on the needs of prescribers** includes new Key Prescribing Considerations specifically tailored for advanced practice nurses and physician assistants, revised introductory disease content, and refocused illustrations.

Included with the text...

**EDUCATOR RESOURCES ON EVOLVE**
- Test bank
- PowerPoint® slides
- Image collection

**STUDENT RESOURCES ON EVOLVE**
- **NEW!** Case studies
- Content updates

NEW!

Equip your students with research-driven tools to increase patient health literacy for optimal health outcomes

- **UNIQUE!** Research-driven approach is based on the latest findings in the neuroscience of learning.
- **UNIQUE!** The author’s proven patient literacy model applies a reliable methodology to promote patient health and reduce hospital readmissions.
- **NEW!** Key content addresses the emergence of health literacy as a crucial issue for the future of high-quality health care.
- **Practical, patient-centered focus** emphasizes how to help patients formulate their own healthcare goals to promote their own health.
- **NEW and UNIQUE!** Coverage of the author’s Self-Activation Tool enables students to help patients activate their own learning.

EMPOWER your program with HESI

We’ve combined the expert exam development of HESI and trusted content from Elsevier texts to help students excel in your advanced practice nursing program and confidently pass their certification exams.

The HESI Advanced Practice Nursing solution includes:

HESI APRN Specialty Exams
Measure students’ abilities to apply concepts related to the three separate comprehensive graduate-level courses as outlined by the APRN Consensus Model (2008). Exams include:

+ Advanced Pathophysiology
+ Advanced Pharmacotherapeutics
+ Advanced Physical Assessment

HESI APRN Exit Exams
Assess students’ readiness for advanced practice certification exams. Exams include:

+ Adult-Gerontology Acute Care Nurse Practitioner
+ Adult-Gerontology Primary Care Nurse Practitioner
+ Family Nurse Practitioner
+ Nurse Executive*

* The Nurse Executive exam, designed as a comprehensive exam for students in Nursing Administration, matches the American Nurses Credentialing Center (ANCC) revised criteria for the Nurse Executive certification exam.
